Celebrate 25 Years of Empowerment & Hope

We invite you to join us for Christie Place's 25th Anniversary Gala - an extraordinary evening to celebrate joy, hope, and remembrance for all the lives Christie's has not only touched - but saved!

Plan to drop into our virtual venue from wherever you are:

Friday, April 9, 2021 (6:00 - 7:00 PM)

Enjoy a night of **storytelling** and **camaraderie**, **online auction**, **commemorative items**, **swag bags**, and **more surprises** to be announced...

IN THE BEGINNING...

Since 1996, Christie's Place has been the only organization in San Diego County entirely dedicated to serving women, children, and families whose lives have been impacted by HIV/AIDS. Our grassroots organization was founded by the parents of Christie Milton, to continue the work of their daughter, who lost her life to AIDS.

CONTINUING THE LEGACY

To share our story, and inspirational testimonials of our families, we are working to publish a book on the history of Christie's Place. Select testimonials you will hear at the Gala will be included in this publication. For many people, learning about others like them is a strong motivator to seek help to turn their own lives around. In addition to our other services, every ticket, table, sponsorship, and donation will directly support our ability to distribute this book.

By participating in Christie's Place 25th Anniversary Gala, you enable us to continue our work and give our clients the opportunity to thrive.

You can contribute by **buying tickets**, **donating**, or **sponsoring** this event.
