Laundromats

Solutions for Your Laundry Business

MACHINE QUOTE

or Dial: (800) 236-5599

WASH. Rinse. Repeat business.

Owning a laundromat is an accessible, solid investment opportunity for new or seasoned investors.

There's never a shortage of customers who need clean clothes. A well-designed and equipped facility provides a reliable and steady stream of revenue, no matter the state of the economy.

With a success rate surpassing most startups, laundromats are one of the best small businesses to consider, for many reasons.

Money Matters

- Reasonable startup costs
- ROI the first year for most laundromats
- 95% success rate over a five-year period
- Quick payment cycle — eliminates cash flow problems
- Minimal overhead
 - No franchise fees or royalties
 - Low labor costs — 0 to three employees
 - Small supply inventory

Business-Specific Advantages

- Nonseasonal
- Recession resistant
- An essential business
- Self-serve enterprise
- Offers owners a flexible work/life balance

Start with Five Easy Steps:

1. Partner with WASH

WASH knows laundry! With 70+ years of experience in the business, we're the perfect partner for private laundromat entrepreneurs.

You'll have an industry leader on board for setup and design advice, equipment, supplies and anything WASH-room related to successfully launch your business.

2. Plan Beyond the Basics

If you need expert guidance with demographic information, room design, proformas, or competitive analysis, we're here. WASH can even connect you with a financing partner.

Contact a WASH representative today for a free consultation.

3. Install Premier Equipment

When you purchase hard or soft mount coin-op washers and dryers directly from WASH, we can outfit your new commercial laundry equipment with your choice of coin-operated, card and/or mobile payment technology to optimize profitability.

4. Add Bells and Whistles!

We offer an extensive catalog of ancillary equipment for your laundry room including water heaters, laundry carts, change machines, folding tables, soap vendors — the works!

5. Choose Stellar Service Options

Our team has your back. If a machine needs repair or regular maintenance, our factory-trained technicians offer fast, best-in-class service to keep your investment up and running. Our service contracts are customizable to your needs.

Ready for more flexibility and less worry? Come clean with WASH, and see how rewarding the laundromat business can be.
