*Christie's Place.
A special place called home.*

"I was amazed at the attention that Christie's Place give to their ladies. I was one of those special ladies. I remember when I was invited to attend camp for three days. I was wondering what can I do in the mountain with a group of ladies for three days. I enjoyed every second. From the time the bus pulled away from Christie's Place until we got to Julian, CA. Camp Stephen. It was AWESOME. I met some wonderful ladies that weekend. I have remained friends with several of the ladies throughout the years. The fresh air and nature walks renewed my spirit, I had a chance to experience the beauty of California. The actives of Arts and Crafts, swimming, and the break-out workshops were fun. Who can forget Carolina's (The Center) Vagina demonstration? Loved it!

*Yes, Christie's Place is my home away from home."
